---

H C went back to Sweden and formed the Levin Guitar company The 'Goya' name comes from Francisco Jose de Goya, the famous 18th century Spanish painter known as the father of modern art (Francisco drew a lot of Spanish guitar players too).. While it has a mis-matched set of strings, it still sounds amazingly good, and it's the perfect to fiddle with on the porch, around the kitchen table, or other intimate venues.. Buyer pays a flat rate of \$55 for insurance and shipping to the lower 48 states; shipping costs elsewhere will be negotiated as necessary.

Back of guitar has a very small crack, but does not affect the guitar Stevie Nicks of Fleetwood Mac fame composed her first song 'I've Loved and I've Lost' with a Goya guitar, her very first guitar, given to her by her parents on her sixteenth birthday.. Despite its classical configuration, it was frequently played as a "folk" instrument.

' His second guitar was a Goya which he bought in 1958 This is way more than you needed to know to consider this Goya G110 guitar.. The distribution for Goya guitars went from Hershman to Kustom Electronics Inc in 1970 and then over to Dude Inc.. The Goya trademark was originally used by the Hershman Musical Instrument Company of New York City, New York in the 1950's on models built by Sweden's Levin Company (similiar models were sold in Europe under the company's Levin trademark).

H C Levin from Sweden had worked in the United States as a trainee at the Martin Guitar Company, as did his son just before World War I. 360 mm 14 17 inchesBody length: 465 mm 18 30 inchesBody depth: 98 mm 3 85 inchesFingerboard width:.. (both of Chanute, Kansas) in late 1972 The Goya brand then went to the C F Martin Guitar Company, located in Nazareth, Pennsylvania, in 1974 when they acquired Levin, and Goya guitars were distributed by Martin until 1996.. If you ever saw the 1967 movie 'The Sound of Music' then you saw Julia Andrews playing a classical Goya guitar.. Martin distributed this model from 1978 to 1986, and it has served many musicians well over the years.. There is a thinline split (see phot # 5 ) in the middle of the back but it does not seems to be deep.. Buyer receives a full refund in their original payment method less any shipping charges.
